

## Sunrise Century Travel Tips

**Flying in** – Arrive at Denver Int (DIA). Rent a car or grab the Super Shuttle to Boulder for around \$25 – it's about a 40 minute drive & they'll drop you wherever you want. Check with them about transporting your bike, you may have to reserve early.

- You can also ship your bike ahead of you to your hotel or any local bike shop for assembly. Hotels will typically store your packing materials for you.
- Recommended bike shops for assembly:
  - [University Bikes](#) – town favorite, right downtown by hotels
  - [Vecchio's Bicicletteria](#) – pro racer's choice, downtown, Campy pros
  - [Performance Bike Shop](#) – everything under the sun, great prices

### Hotels

- If you're planning a **full weekend or more**, best bet is to stay downtown in whatever hotel suits you. Our faves are below. This'll put you in a great place to enjoy the weekend w/o ever getting in your car.
- If you're **just staying the night**, the closest to the start is the [Holiday Inn Express](#) on North Broadway at Lee Hill Rd. It's about a 6-minute downhill pedal to the start. Not where you'd want to stay for the weekend because of the northern location, somewhere downtown would be a better.

### Preferred downtown hotels:

- [St Julien](#)
  - Right downtown; location, facilities, restaurant & amenities can't be beat and the classiest happy hour jazz you've ever seen. Bike-friendly. Not cheap.
- [Hotel Boulderado](#)
  - Also right downtown in a great spot, this is a historic building with lots of history and more...not quite as pricey as St Julien. Ask for one of the older rooms, not the newer addition. If you're lucky you'll see a ghost in the hallway.
- Marriott – Boulder (not the Courtyard/Marriott on East Pearl)
  - A decent intown spot & reasonably bike-friendly. Across from 29<sup>th</sup> St mall.
  - 2660 Canyon Blvd, 80302 – 303.440.8877
- [Foot of the Mountain](#) hotel
  - A really unique inn located on the bike path in west Boulder. Only a few blocks from downtown. 200 Arapahoe, 80302 – 303.442.5688
- [Silver Saddle](#) Motel
  - Next door to above & also very unique. 90 Arapahoe, 80302 – 303.442.8022

**Bike Rentals:** *(bring your shoes, pedals & seat for best results, they'll install & fit for you)*

- [University Cycles](#) (downtown, high-end demos avail)
- [Full Cycle](#) (downtown, high-end demos avail)
- [Boulder Bikesmith](#) (most affordable)
